

## DEPARTMENT OF PUBLIC WORKS AND INFRASTRUCTURE

*The Department of Public Works and Infrastructure is an equal opportunity, affirmative action employer. The intention is to promote representatively in the Public Service through the filling of these posts and with persons whose appointment will promote representatively (specifically persons with disabilities and women), will receive preference. An indication by candidates in this regard will facilitate the processing of applications. If no suitable candidates from the unrepresented groups can be recruited, candidates from the represented groups will be considered. People with disabilities are encouraged to apply.*

**CLOSING DATE** : 02 August 2024 at 16H00

**NOTE** : Kindly take note that with effect from 01 January 2021, DPSA approved the new Z83 Application Form (obtainable from any Public Service Department); applicants are requested to use the new application form and the Z83 form must be fully completed signed and initialled when submitted as failure to do so may result in their application being disqualified. With regard to completion of new Z83 form, part A and B must be fully filled, Part C on method of correspondence and contact details must be fully filled, two questions relating to condition that prevent reappointment under part F must be fully answered. Page 1 must be initialled, and applicants will not be disqualified if they only sign page 2. Failure to comply with the above, applicants will be disqualified. To streamline the recruitment process to be more responsive to the public, as well as to create more protective measures during the pandemic by avoiding over-crowding and curb the costs incurred by applicants such measures should include the following regarding certification: Please note that applicants are not required to submit certified copies of qualifications and other relevant documents on application but must submit the Z83 and a detailed Curriculum Vitae. The communication from HR of the department regarding requirements of certified documents will be limited to shortlisted candidates. Therefore only shortlisted candidates for a post will be required to submit certified documents on or before the day of the interview following communication from HR. The application for employment Form (Z83) provides under the sectional "additional information" that candidates who are selected for interviews will be requested to furnish additional certified information that may be requested to make final decision. It must be borne in mind that when a document is certified as a true copy of an original, the certifier only confirms it being a true copy of the original presented. Therefore, the certification process does not provide validation of the authenticity of the original document. The validation occurs when the documents is verified for authenticity. Regulation 67 (9) requires the executive authority to ensure that he or she is fully satisfied of the claims being made and these read with Regulations (57) (c) which requires the finalisation of Personnel Suitability Checks in order to verify claims and check the candidate for purpose of being fit and proper for employment. Applications not complying with the above will be disqualified. Should you not have heard from us within the next months, please regard your application as unsuccessful. Note: It is the responsibility of all applicants to ensure that foreign and other qualifications are evaluated by SAQA. Recognition of prior learning will only be considered on submission of proof by candidates. Kindly note that appointment will be subject to verification of qualifications, any disciplinary proceeding and a security clearance. Posted, hand-delivered or email applications will be accepted, late applications will not be accepted. Shortlisted candidates must be willing to undergo normal vetting and verification processes. Should you not have heard from us within the next months, please regard your application as unsuccessful. Applications must be submitted as a Single document/One Attachment to the email addresses specified for each position. (Kindly Note That The Emailed Applications And Attachments Should Not Exceed 15MB)

**POST 26/08** : **CHIEF CIVIL ENGINEER (GRADE A) REF NO: 2024/46**

**SALARY** : R1 200 426 per annum (All-inclusive salary package) (Total package to be structured in accordance with the rules of the OSD)

**CENTRE** : Head Office (Pretoria)

**REQUIREMENTS** : Engineering degree (B Eng/ BSC (Eng) or relevant qualification. Six years post qualification experience required as a registered professional Engineer. Valid driver's license. Compulsory registration with ECSA as a Professional Engineer. Knowledge: Various facets of Civil Engineering practice, including knowledge of construction methods, techniques and system applied in full spectrum of the Civil Engineering profession. Knowledge of contract building law to the extent applied in the profession. All aspects of the building Engineering design and analysis, engineering operational communication, process knowledge maintenance knowledge, to extent applied in the profession. Technical consulting. A good understanding and competence in the context of the built environment. Legislative and legal aspects of built environment developments and informed decision-making. Knowledge and understanding of National Government's strategic visions and goals as well as Provincial and Local Government strategies and policies. Knowledge of the real estate industry and asset management is advantageous. Experience in conducting Feasibility Studies would be advantageous as well as knowledge in the Real Estate Industry and Asset Management. Skills: Well-developed project

- management, analytical, planning, legal compliance, interpersonal, communication, executive report-writing and presentation skills as well as computer literacy. Must be an innovative and creative thinker, resourceful, people orientated, assertive, hard-working and self-motivated, be able to use Professional judgment in decision making and be able to work under pressure.
- DUTIES** : Review, analyse and evaluate state owned facilities, specification drawings and details against industry best practice norms as applicable to new, rehabilitation and/or maintenance projects. Evaluate facilities/buildings to determine if they conform to industry acceptable norms, standards and specifications. Identify the risks associated with different types/categories of buildings and the construction thereof. Provide technical input, guidance and interpretation of feasibility studies on various projects. Advise and identify innovative alternative solutions to promote sustainability and cost-effectiveness in buildings. Make recommendation on value enhancing strategies for the government property portfolio. Project manages the compilation of feasibility study reports within a multidisciplinary team and according to given time frames. Make forecast on the performance of state fixed assets while considering micro and macro-economic policies and the impact thereof on state investment and the property industry. Assess the financial and socio-economic benefits for all property investment/disinvestment option. Apply policies, methods, best practices and standards well as ensure compliance with Departmental requirements and legislation. Identify technical and functionality solutions and market trends and risk for specified portfolio and project solutions. Provide inputs into the development of business processes and guidelines for making sound investment decisions. Executive report writing
